

## **Dress Code & Uniform Policy 2010-2011**

Uniforms are required. While attending school, all students must be in uniform daily. Uniforms should be neat and clean, and all students should practice good hygiene. Parents will be contacted if a child is out of uniform, and will be required to bring the necessary items to school to comply with the uniform policy before students are admitted to class. Students out of uniform will lose the privilege of participating in school wide incentives and extracurricular privileges, such as field trips, classroom parties, and other incentives. Students who are habitually out of uniform may be subject to additional disciplinary action. Parents will be notified of days when students are not required to wear uniforms.
